# Impact the Moment of Decision.

## Videri Digital Canvases - The Spark Series.

Videri's latest release, Spark Series, is a 4th generation Canvas and the most innovative yet. Enhanced clarity and vibrancy are supported by upgraded screen haze and reduced glare. IPS LCD display panel technology provide the best color and viewing angles. WiFi6 and Bluetooth 5.2 enable faster and more stable connectivity while best in class processing capabilities with 4K UHD means content is rendered smoothly and apps are launched effortlessly.\*

## Introducing the Videri 4G Spark2 Digital Canvas.

The only embedded 4G commercial display delivering rapid deployment and centralized control. Ideal for brands at point of sale and retail where WiFi is unavailable/unreliable.

## Install Effortlessly.

The Spark Series' new common proprietary mounting system makes installing Canvases even simpler. And with no external components, Canvases can be installed in places where traditional digital doesn't fit. Upgraded plastic bezels provide enhanced wireless connectivity and finish the sleek design.

Bring your own display.  
Videri SparkBridge.

Not ready to upgrade your legacy displays? No problem. Leverage Videri's media player and manage your content with publishing tools that keep content fresh, no matter what the display.

## Wireless Orchestration.

Unique to Videri, create a Wall of Canvases, and the Videri Platform automatically adjusts the spacing to your layout, wirelessly. No switchers, splitters or video editing required.

Stand out from the digital clutter and engage audiences in new ways with Videri Wireless Orchestration.

A platform purpose-built for your business and trusted by some of the worlds largest brands.
