
THE SPARK SERIES

VIDERI DIGITAL CANVAS
SPECIFICATIONS

BE SEEN.

Spark Series

Videri brings the easy to digital.

For new spaces and unusual places, the Spark Series Digital Canvas fits where other displays do not. The Spark Series is Videri's 4th generation Canvas with 5 unique sizes - our most innovative line yet. Enhanced clarity and vibrancy are supported by upgraded screen haze and reduced glare. Our LCD display panel technology provides the best color and viewing angles. WiFi6 and Bluetooth 5.2 enable faster, more stable connectivity, while best in class processing capabilities with 4K UHD means content is rendered smoothly and apps are launched effortlessly.

Spark5

Spark4

Spark3

SparkQ+

Spark2

- Stunningly thin with a uniform Canvas depth of 15.5mm
- Low-power, sustainable
- Integrated commercial grade media player (Android™) for content, apps and services
- Commercial grade 24/7
- Fully wireless, no HDMI, USB or Ethernet port
- Tamper proof, encrypted

Single or several. Maximum Impact.

A single Canvas across multiple locations.

- Simple to install. Effortless to manage
- Drive 30% average increase in sales
- Fits in with no retrofits
- Imagination is your only limitation

Multiple Canvases used together in a Wall.

- Orchestrate content wirelessly
- No splitters or custom content
- Content automatically adjusts for gaps
- Use Canvases individually & combined in the same schedule

Spark5

The largest of the Spark Series at 50 inches, with 4K UHD, the Spark5 makes a stand-out statement for any digital content.
