Provide 4X the messaging opportunities.

Drive an average of 30% increase in sales.

Deliver up to 83% in recall rate for content.

# 5 Unique sizes. Unleash limitless possibilities.

For new spaces and unusual places, the Spark Series Digital Canvas fits where other displays do not. The Spark Series is Videri's 4th generation Canvas with 5 unique sizes - our most innovative line yet. Enhanced clarity and vibrancy are supported by upgraded screen haze and reduced glare. IPS LCD display panel technology provides the best color and viewing angles. WiFi6 and Bluetooth 5.2 enable faster, more stable connectivity, while best in class processing capabilities with 4K UHD means content is rendered smoothly and apps are launched effortlessly.

Bring your own display.

Videri SparkBridge.
Leverage Videri's media player and manage your content with publishing tools that keep content fresh, no matter what the display.
