

POWERING POSSIBILITY ACROSS ANY DISPLAY.

## Seamless Integration. Limitless Flexibility.

Videri Embedded brings the power of Videri's cloud-based content management and advanced device management platform to a broader range of display form factors, allowing brands, operators and integration partners to scale their digital signage programs greater flexibility.

Whether you're managing digital content across mixed environments, launching a new format, or working with existing third-party displays, Videri Embedded offers the flexibility to deliver consistent, reliable experiences - everywhere.

## Why Videri Embedded?

### ➤ Software Embedded.

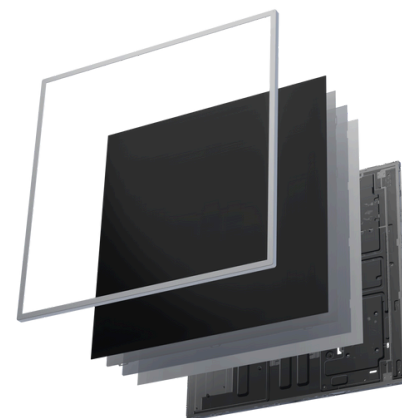

Videri's CMS and device management platform runs on third-party displays. Our software unlocks robust capabilities like scheduling, Wireless Orchestration, monitoring and remote control - giving you powerful digital tools across a variety of display types.

### ➤ Hardware Integrated.

Videri's compact boards integrate into stretch, shelf-edge, elnk, display kiosks and more. Low-power with customizable firmware and hardware, Videri Embedded powers digital experiences that were once off-limits.

## Built for Real-World Needs.

- Whether you're a brand scaling your digital footprint, a venue operator looking to simplify execution, or a solutions integrator serving specialized clients - Videri Embedded enables flexible deployments backed by Videri's powerful CMS and MDM platform.

# VIDERI EMBEDDED. POWERING POSSIBILITY.

## Where Flexibility Meets Control

Interoperability is at the heart of of Videri Embedded. On one hand, our software plugs into third-party devices. On the other, our hardware enables digital in new places - custom shelf edge, headers, kiosks and more. This dual flexibility gives you the tools to deploy and manage content effortlessly - no matter the screen, format or environment.

## Real-World Applications

Deploy with third-party or custom hardware solutions.

Shelf-edge displays in grocery and CPG environments

Digital kiosks in retail, banking, and QSRs

Mobile units in trade marketing and event use

eInk-powered signage for sustainability and simplicity

## What Makes It Unique.

Integration starts with depth. Videri Embedded delivers a seamless, low-complexity experience across select hardware—something truly unique in the industry. Ensuring device management is as effortless and intuitive as you'd expect from Videri, we go deeper, not just wider, and stay true to our promise: easy, scalable digital wherever you need it.

## Trusted by the world's largest brands.
